

# Capabilities Statement

CWF Crating & Logistics LLC

## Protecting your investment in Transit

### Summary

Let's Talk Packaging!

We offer On-time Complete Quality Service

Packaging Consultations

### Services

- Custom crates, delivered

Know exactly what you need? We'll build to your specifications and deliver right to your door.

All of our crate products can be customized to meet your requirements, including:

- Display crates
- Military crates
- Tradeshow and traveling exhibit crates
- Knock-down crates
- MIL-Spec crates
- Industrial crates

- Onsite Assembly

Have a product that needs to be packaged onsite? We can do that too!

With all components cut and pre-built at our facility, our qualified team can assemble and pack your crate on location.

- Custom Skids  
made-to-order heavy duty skids.

- Custom Pallets From a steady flow of standard 40"x48" pallets

We offer fully custom pallet solution

"**Just in time Pallets**"; where we control your inventory flow

"**Pallet retrieval**" we can assist you with controlling your "inflow" from deliveries

Cage # **13RBo**

UEI#

**UA79M5LKYTJ9**

## Certifications

- ISPM-15
